

Employment Opportunity

THOMAS PORTER ARCHITECTS has an immediate opening for an Architect/Senior Project Manager to join our team. We work on a broad range of architectural projects, involving new construction, renovation and historic preservation. Candidates must be highly motivated, have a desire to push boundaries and have a passion to create extraordinary architecture. Candidates must have the ability to work both independently and collaboratively with others in a team environment.

ARCHITECT / SENIOR PROJECT MANAGER APPLICANTS:

- Must have:
 - Professional Registration preferred – candidates with an equivalent amount of work experience will be considered
 - 3-5 years of experience
- Requisite skills for consideration include:
 - Highly motivated and able to work both self-directed and in interdisciplinary teams in a fast-paced and energetic environment.
 - Excellent oral, written, and graphic communication skills
 - Proficient with Autodesk AutoCAD and Revit, Sketch-up, Adobe Creative Suite, and Microsoft Office
 - Be able to independently provide the full range of architectural services on small to medium sized projects
 - Be able to manage multiple projects
 - Work with the firm Principals to deliver technical design support and quality assurance of documents
 - Be a resource for building code reviews, constructability, and sustainability goals
 - Prepare, develop, and edit specifications
 - Interest in sustainable design
 - Interest in the craft of construction

Please email a digital copy of your resume and portfolio to ronda.fejes@porterarch.com
Upon receipt, we will review and contact you should your qualifications meet our staffing needs.
